1. The Chair called the meeting to order at 6:30 p.m.

**2. Public Hearing**

Chair Trinacty welcomed members of the gallery and announced the public hearing of the Proposed Amendments of the MPS and LUB 2<sup>nd</sup> reading. He asked if there were any questions.

Chair Trinacty asked Mr. Redden if the fire department had any final comments. Mr. Redden replied there were no further comments. Mr. Keddy stated there were no further comments from the Fire commission.

Mr. Illsley added he was there to answer any questions.

Councillor Ashford-Morton asked Mr. Illsley if the PID number is the correct number of the property. Mr. Illsley replied yes, the PID number is correct, but the address wasn't.

Councillor Horsburgh stated he is glad to see this project moving onward.

Chair Trinacty thanked everyone for all the work done, and stated the project will proceed to the 2<sup>nd</sup> reading tonight at Council.

3. Hearing of no further business the Chair adjourned the Council meeting at 6:38 pm.
